

# Goodbye Mickey Mouse

Shakatak

In the afterglow  
Of a clouded sunset  
Shadows fade in her eyes

In the afterglow  
Of a clouded sunset  
Shadows fade in her eyes

Leaving memories  
Kept alive by moonlight  
Of their final goodbyes

Days go passing by  
Season into season  
Hope her final disguise

Watching silently  
She will wait forever  
Looking up to the skies
