

Lovers Hideaway

Shakatak

Sun goes down
And it's time to play
Out of sight
Lover's hideaway

Sun goes down
And it's time to play
Out of sight
Lover's hideaway

Do you wanna come party?
You wanna come dance the night away?
Look at that body
And give me some Latin lover

Some naughty
Shimmy and sway, sway, sway
Look at that body
Watch me now, watch me now, watch me now

Dance the night away
Latin lover
Shimmy, sway, sway, sway
Watch me now, watch me now
