Shakatak

Stranger
It's time to go
Out of my life and back to her
Stranger
Too late, I know
You don't have to say a word

Stranger
You play with fire
And fingers are burning once again
Stranger
No need to lie
She couldn't be just a friend

Stranger
It's time to go
Out of my life and back to her
Stranger
Too late, I know
You don't have to say a word

Stranger
You're playing with fire
And fingers are burning once again
Stranger
No need to lie
She couldn't be just a friend

Stranger
Time to go
Out of my life and back to her
Stranger
Too late, I know
You don't have to say a word

Stranger
You're playing with fire
And fingers are burning once again
Stranger
No need to lie
She couldn't be just a friend

Stranger
It's time to go
Out of my life and back to her
Stranger
Too late, I know
You don't have to say a word
