

# Family Tree

Shakey Graves

Only dead folks get my jokes  
Storm the castle and swim the moat  
Across the world lives a big old goat  
Who's got nine eyes and breathes nothing but smoke  
And he loves Lilly but Lilly loves me  
And Lilly loves Shelia but Shelia Loves me  
So lets go out back and plant a family tree  
We'll be as happy as a couple motherfuckers can be

Load your pistol to shoot the breeze  
Go to the garden tell the birds and bees  
Not to bother the girls or harass the boys  
Busk for your breakfast baby make some noise  
We'll wake up grandpa wake up Jane  
Throw a couple rocks at their window pane

If daddy gives me money Ill drink my milk  
Got women to scare  
Got a world to tilt

There's no one in the world but you for me  
So lets go out back and plant a family tree
