

# Drinking Wine Spo-Dee-O-Dee

Shakin' Stevens

Well down in New Orleans where everything's fine  
All them cats is drinkin' that wine  
Drinkin' that mess with delight  
An' when they get drunk they fight all night

Drinkin' wine spo-dee-o-dee, wine bop-bop  
Wine spo-dee-o-dee, drinkin' wine  
Drinkin' wine spo-dee-o-dee, pass that bottle to me

Well I got a nickel, have you got a dime  
Let's get together and buy a little wine  
Some by the fifth, some by the quart  
When you buy sherry, you're doin' things smart

Drinkin' wine spo-dee-o-dee, wine bop-bop  
Wine spo-dee-o-dee, drinkin' wine  
Drinkin' wine spo-dee-o-dee, pass that bottle to me

Well, wine-wine-wine, ooh, wine-wine-wine  
Yeah, wine-wine-wine, ooh, wine-wine-wine  
Ooh down in New Orleans, pass that bottle to me  
Drinkin' that mess with delight  
An' when they get drunk they fight all night  
Knockin' down windows, bang down doors  
Drinkin' half a gallon an' then holler for more
