

## Evil Hearted Ada

Shakin' Stevens

She's my lover  
You know, she's my friend  
Well she's my baby, she's a hen  
But she's sassy, and she's sly  
I love evil hearted Ada  
I love evil hearted Ada  
I love evil hearted Ada  
Till I die  
She's a ruby, she's a plumb  
She's an emerald, she's a girl  
She always gives me money to spend  
I love evil hearted Ada  
I love evil hearted Ada  
I love evil hearted Ada  
Till The End

She can open up your eyes  
She can open up a door  
Don't let her take you by surprise  
She can pull away the floor

Don't need money, unh-uh  
You know I don't need fame  
For I'm a rich man, that's right  
Just the same  
Got me a big piece..of the sky  
I love evil hearted Ada  
I love evil hearted Ada  
Evil hearted Ada till I die
