

Frantic

Shakin' Stevens

You make me frantic when you Rock & Roll
Frantic when you do the stroll
Frantic at the record shop
Frantic at the high school hop
Frantic, baby you make me feel frantic

Frantic when the lights are low
Frantic at the drive in show
Frantic when you strutt your stuff
Frantic that'll last a life time
Frantic, baby you leave me frantic, aauuuww

Frantic 'cause I'm goin' ape
Frantic 'cause I'm in bad shape
Frantic like a honey child
Frantic 'cause I'm going wild
Frantic, baby you leave me so frantic, auw auw auw!

Oh help me, I don't know what I got

Aaaauuuuwwwww !!!

Baby I'm frantic, baby I'm frantic, baby I'm frantic

You make me frantic when you Rock & Roll
Frantic when you do the stroll
Frantic at the record shop
Frantic at the high school hop
Frantic, baby you leave me frantic, oooh

There coming to take me away, there coming to take me away
There coming to take me away, there coming to take me away
There coming to take me away, why ? 'Cause I'm frantic, auuuuww
