

Holy Roller

Shakin' Stevens

I can sing like a dog,
Dance like a frog,
Shim sham shimmy all night long,
Drink like a fish,
do what you doggone wish
Just as you play that happy song.

Big John is playing his guitar,
Mary Joe's playing her Kazoo,
Two harps are jamming in the corner,
We're all moving around the room too

Put on your high heel sneakers,
Put on your red dress too,
God bless you good old southern comfort,
You sure are really good news.

I can sing like a dog,
dance like a frog,
shim sham shimmy all night long,
drink like a fish,
do what you doggone wish
Just as you play that happy song,

Bring on those red tahitas,
Brown rice and boiled cabbage too,
Sprinkle on some hot chilly peppers,
Let's all have ourselves some stew,
Big John's playing his guitar,
Mary Joe's playing her Kazoo
God bless you good old southern comfort,
You sure are good news too,

Oh Holy Roller.....oh oh oooo.....
