

## Lady Lizard

Shakin' Stevens

She drifts through the jungle like a real cool blizzard,  
Rock'n'rollin' Lady Lizard,  
Hip hugging, teenage wizard, marsh mallow moma,  
My Lady Lizard,  
Oeh! Lady Lizard

Oh hep de hootie all in style,  
A hog tied Honda that will drive you wild,  
And her clutch when you touch,  
Too much, too much, too much,

She rocks through the jungle like a real cool blizzard,  
Rock'n'rollin' Lady Lizard,  
Hip hugging, teenage wizard, marsh mallow moma,  
My Lady Lizard,  
Oeh! Lady Lizard

Got a figure like a 3D teenage dream,  
Makes me shout holler and scream,  
When we go for a blow she can stop the show,  
So go go go Kokomo

She drifts through the jungle like a real cool blizzard,  
Rock'n'rollin' Lady Lizard,  
Hip hugging, teenage wizard, marsh mallow moma,  
My Lady Lizard,  
Oeh! Lady Lizard

Lady Lizard [Fade out repeating]
