

MAY

Shakin' Stevens

Sometimes in the dead of night
Sometimes when I've lost my fight
Sometimes in my reverie
I feel you watching over me
We used to say – you were one, one in a million

Always when I hear your name
Always makes me feel the same
Always memories reveal
You kept us kids on a even keel
We used to say – you were one, one in a million

Nobody knows what you went through
Nobody knows the price you paid
You gave your life to thirteen souls
They can't take that away
They can't take that away from you

You deserved a better life
Our loving mother, a caring wife
But broken promises you wed
Where did you go inside your head
We used to say – you were one, one in a million

As long as I will live and breathe
I'll treasure what you did for me
And I'll remember you with pride
And I'll see you on the other side
You'll always be to me one in a million

Nobody knows what you went through
Nobody knows the price you paid
You vowed your life to thirteen souls
They can't take that away
They can't take that away from you

One in a million
One in a million
