

Monkey's Uncle

Shakin' Stevens

Well I'm a feeling mighty fine, I'm going on a spending spree
I'm in the money like a monkey when it's hanging from a coconut
tree

I feel Monkey's uncle and I'm gonna let the best man see

I got a date with my baby going to the jungle dance
All the ape's are swinging and a drinking all the jungle gin
I feel Monkey's uncle & I'm gonna let the best man in

Well when the music gets started they don't stop
Start a realling & rolling, then they rock
The music they were playing had a jungle beat
And they were jumping like monkey's in a coconut tree.

Well everybody was jumping, things were getting really hot
I got my baby Gorilla she was dancing like a spinning top
I feel monkeys uncle & the music will never stop... A Yeah yeah
!
