

Punk

Shakin' Stevens

Livin' out on the street
Diggin' that nightttime beat
Stuttin' my stuff in style
Livin' just a little while

Goin' where the night ones go
Knowin' what the night ones know
Sayin' what ain't been said
Catchin' a little girl

Out on the store, and what is more
I ain't like, the boy next door
So don't snub me, feed me no junk
I'm a cosmic cowboy it's a form of punk

Ooh punk [x10]

Livin' for Rock & Roll
Knowing I won't get old
Starting another show, really suicide
Out on the store, and what is more
I ain't like, the boy next door
So don't snub me, feed me no junk
I'm a cosmic cowboy it's a form of punk

And I'm livin' that out on the street
Diggin' that nightttime beat
Stuttin' my stuff in style
Livin' just a little while

Goin' where the night ones go
Knowin' what the night ones know
Sayin' what ain't been said
Catchin' a little girl

Living baby!
Digging that night time!
Stuttin' my stuff
Live a little while

Ooh punk [x10]

Yeah Punk
Ooh Punk
Yeah Punk
Ooh ooohhh
Livingg..
