

## Re-Set

Shakin' Stevens

Ain't no denying  
This is now the time  
We all can see now  
The mountains we must climb  
The science is clear now  
It won't just go away  
This is for real now  
Can't wait another day

We gotta re-set now  
We gotta re-set right now  
Change is in the air  
No time to despair  
We gotta re-set now  
We gotta re-set right now  
We're burning up and we are losing ground

Slowly but surely, we all hear the call  
Make no mistake 'cause the writing's on the wall  
Who cares if we go above 1.5 C  
None are so blind as those that will not see

We gotta re-set now  
We gotta re-set right now  
Change is in the air  
No time to despair  
We gotta re-set now  
We gotta re-set right now  
We're burning up and we are losing ground

Hope is not a game plan to see us safe and sound  
Not enough to guide us to that higher ground  
We got the power but we must understand  
But for mother nature fate is in our hands

We gotta re-set now  
We gotta re-set right now  
Change is in the air  
No time to despair  
We gotta re-set now  
We gotta re-set right now  
We're burning up and we are losing ground

We have to hope  
A way out can be found
