Rockin' The Night Away

Shakin' Stevens

Rockin' round the clock
C'mon shake a tail feather
Put on your dancing shoes
Shake your money maker

Rockin' the night away
Rockin' the night away
Rockin' the night, rockin' the night away

C'mon money honey and short fat fanny
Good Golly Miss Molly, Long Tall Sally
A whole lotta shakin', great balls of fire
Rock n' roll music, woo! Sapphire!

Rockin' the night away
I'm rocking the night away
I'm rockin' the night, rockin' the night away

Rockin' pneumonia and the boogie woogie flu
C'mon everybody and do the hoochie coo
A whole lotta woman for a sixty minute man
Don't bug me baby, yea I'm your man

Rockin' the night away
Rockin' the night away
I'm rockin' the night, rockin' the night away

C'mon money honey and short fat fanny
Good Golly Miss Molly and Long Tall Sally
Whole lotta shakin', great balls of fire
Rock n' roll music, woo! Sapphire!

Rockin' the night away
Rockin' the night away
Rockin' the night, rockin' the night away

Rockin' the night away
I'll tell ya' rockin' the night away
i'm rockin' the night, rockin' the night away

Rockin' the night away
I'm rockin' the night away
I'm rockin' the night, rockin' the night away
