

# The Bop Won't Stop

Shakin' Stevens

I said hey pretty baby  
Won't you tell 'em what's wrong with you  
Alot ya keep poppin'  
Hoppin' like a kangaroo  
Well I'll ya little baby  
My feet are all black and blue

There's a place we go  
Dressed down all the time  
It's drivin' me crazy  
Swear I'm gonna lose my mind  
Seen a real pretty woman  
How about a kiss sometime

She said  
The bop won't stop (the bop won't stop)  
The bop won't stop (the bop won't stop)  
The bop won't stop (the bop won't stop)  
The bop won't stop (the bop won't stop)  
The bop won't stop  
What can I do

C'mon pretty baby  
I don't wanna be no square  
But if your folks come callin'  
Knock you off that chair  
You're headed for danger  
Child now beware

She said  
The bop won't stop (the bop won't stop)  
The bop won't stop (the bop won't stop)  
The bop won't stop (the bop won't stop)  
The bop won't stop (the bop won't stop)  
The bop won't stop  
What can I do

C'mon pretty baby  
I don't wanna be no square  
But if your folks come callin'  
Knock you off that chair  
You're headed for danger  
Child now beware

The bop won't stop (the bop won't stop)  
The bop won't stop (the bop won't stop)

The bop won't stop  
What can I do
