

# Gypsy

Shakira

Capo1.

**C** **F**  
Broke my heart on the road,  
**C**  
spent the weekend  
**F**  
sewing the pieces back on.  
**C** **F**  
Crayons and dolls pass me by,  
**B**  
walking gets too boring  
**F**  
when you learn how to fly.

**C** **F**  
Not the homecoming kind,  
**C**  
take the top off  
**F**  
and who knows what you might find.  
**C** **F**  
Won't confess all my sins  
**B**  
You can bet I'll try it,  
**F**  
but you can't always win.

[Chorus]

**C**  
'Cause I'm a gypsy,  
**F**  
are you coming with me?  
**C**  
I might steal your clothes  
**F**  
and wear them if they fit me.  
**C**  
Never made agreements,  
**F**  
just like a gypsy,  
**C**  
and I won't back down  
**F**  
'cause life's already bit me.  
**B**  
I won't cry, I'm too young to die  
**F**  
if you're gonna quit me,  
**C**

'cause I'm a gypsy...

[Verse 3]

**C** **F**  
I can't hide what I've done,  
**C** **F**  
scars remind of just how far that I've come.  
**C** **F**  
To whom it may concern,  
**B**  
Only run with scissors  
**F**  
when you want to get hurt...

[Chorus]

**C**  
'Cause I'm a gypsy,  
**F**  
are you coming with me?  
**C**  
I might steal your clothes  
**F**  
and wear them if they fit me.  
**C**  
Never made agreements,  
**F**  
just like a gypsy,  
**C**  
and I won't back down  
**F**  
'cause life's already bit me.  
**B**  
I won't cry, I'm too young to die  
**F**  
if you're gonna quit me,  
**C**  
'cause I'm a gypsy...

[Bridge]

**C**  
I say hey you,

**F**  
you're no fool if say no  
**C**  
Ain't it just the way life goes?  
**F**  
People fear what they don't know.

**C**  
I say hey you,  
**F**  
you're no fool if say no  
**C**  
Ain't it just the way life goes?  
**F**  
People fear what they don't know.

**C** **F**  
Come along for the ride, oh yeah.  
**C** **F**  
Come along for the ride, oooh.

[Chorus]

**C**  
'Cause I'm a gypsy,  
**F**  
are you coming with me?  
**C**  
I might steal your clothes  
**F**  
and wear them if they fit me.  
**C**  
Never made agreements,  
**F**  
just like a gypsy,  
**C**  
and I won't back down  
**F**  
'cause life's already bit me.  
**B**  
I won't cry, I'm too young to die  
**F**  
if you're gonna quit me,  
**C**  
'cause I'm a gypsy...

It must be played with a capo on the first fret, I forgot to write it down.

It sounds perfectly fine without a capo.
