

Whenever, Wherever

Shakira

C#mi

1. Lucky you were born that far away so

Asmi

So we could both make fun of distance

A

Lucky that I love a foreign land for

E H

The lucky fact of your existence

C#mi

Baby I would climb the Andes solely

Asmi

To count the freckles on your body

A

Never could imagine there were only

E H

Too many ways to love somebody

F#mi

Lo ro lo le lo le

C#mi

Lo ro lo le lo le

A H

Can't you see...I'm at your feet

C#mi A

R1: Whenever, wherever

E H

We're meant to be together

C#mi A

I'll be there and you'll be near

E H

And that's the deal my dear

C#mi A

They're over, you're under

E H

You'll never have to wonder

C#mi A

We can always play by ear

E H

But that's the deal my dear

2. Lucky that my lips not only mumble
They spill kisses like a fountain
Lucky that my breasts are small and humb
So you don't confuse them with mountains
Lucky I have strong legs like my mother
To run for cover when I need it
And these two eyes that for no other
The day you leave will cry a river

Le do le le le le, Le do le le le le

At your feet...I'm at your feet

R2: Whenever, Wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

Thereover, Hereunder
You'll never have to wonder
We can always play by ear
But that's the deal my dear

Le do le le le le, Le do le le le le

Think out loud, say it again

Le do le le le le

Tell me one more time
That you'll live
Lost in my eyes

R3: /: Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear
Thereover, Hereunder
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel :/
