

Doin' Time

Shakka

I think I'm gonna do some time, time, time
If lovin' you is a crime, crime, crime
I'm goin' down, down, down, down, down, down
I'm goin' down, down, down, down, down, down
Yeah

I did something bad and I did it with you
When your guy move mad I'm the one you slide to
And you say change the subject, don't talk about it
Talkin' about it makes it real
And somehow they all find out
Out
I don't care, they can say what they want
They weren't there when she was creepin' 'round
Someone tell me how to love
When you know that the love has gone

I, I, I know this love is real
This silence ain't hiding the way I feel

I think I'm gonna do some time, time, time, time
If lovin' you is a crime, crime, crime, crime
I'm goin' down, down, down, down, down, down
I'm goin' down, down, down, down, down, down
Yeah

I did something bad and I did it with you
Like we went from seven days to a rendezvous
But when I wake up in the mornin' I see the calls that
I been ignoring when I'm with you
It's not right, no, it's not fair
Oh baby, you came without a warning
Baby, it's yours, you can explore it
My conscience taking all the blame
When I'm with him I wanna call your name

I, I, I know this love is real
This silence ain't hiding the way I feel

I think I'm gonna do some time, time, time, time
If lovin' you is a crime, crime, crime, crime
I'm goin' down, down, down, down, down, down
I'm goin' down, down, down, down, down, down
Yeah

Yeah

If they ain't do the walk
They don't get to talk
'Bout you or me
You or me
They ain't done no walkin'
They can stop their talkin'
'Bout you or me
You or me

I think I'm gonna do some time, time, time, time

If lovin' you is a crime, crime, crime, crime
I'm goin' down, down, down, down, down, down
I'm goin' down, down, down, down, down, down
Yeah
