

# Read My Mind

Shakka

Don't wanna spell it out for you  
Try your best to just guess  
Touch my palms, why don't you?  
You read me the best

Can you read my mind?  
Ay, yi yi yi  
Can you read my mind?  
Ohhh  
Ay, yi yi yi  
Ohh, Ohh

Your poker face is astounding  
Do I play like all the rest?  
Pretty confident, aren't you?  
With my hand there's no contest

Can you read my mind?  
Ay, yi yi yi  
Can you read my mind?  
Ohhh  
Ay, yi yi yi  
Ohh, ohh

Let's take a break  
Let's take a break  
We'll find a day and chill somewhere

Let's take a break  
Let's take a break  
We'll find a day and chill somewhere

Let's take a break  
Let's take a break  
We'll find a day and chill somewhere

Let's take a break  
Let's take a break  
We'll find a day and chill somewhere

Let's take a break  
Let's take a break  
We'll find a day and chill somewhere

Let's take a break  
Let's take a break  
We'll find a day and chill somewhere

Let's take a break  
Let's take a break  
We'll find a day and chill somewhere

Can you read my mind?  
Ay, yi yi yi  
Can you read my mind?  
Ohhh  
Ay, yi yi yi

Ohh, ohh

Can you read my mind?

Ay, yi yi yi

Can you read my mind?

Ohhh

Ay, yi yi yi

Ohh, ohh
