Right Here

Shakka

Oh, oh, oh
Ah, ah, ah
Oh, oh, oh (oh my daze, how did I leave your side)

Ain't hittin' no raves
Ain't hittin' no parties
She ain't got no work in the morning, might just be tardy
They think that we're strange, coz we don't pop molly
We prefer waiting in vain, rest in peace Bob Marley
I know it took me time, to see eye to eye
Good sex can blur the attraction, been through that hype
But you've always known we're mates of soul
Swear I'm content knowning that I'm here with you
(Hit 'em with the bass and drum)

Right here, you got me where you want me
Now I'm right here, waiting for your calling
Now I'm right here, you got me where you want me
Now I'm right here, right here (h-h-h-h-h-here we go)
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh

Infatuation took a hold of my mind
I wouldn't change it for the world, now that you're mine
You played mean, hard to get for a while
Still got me deeper every day with your smile

See, I ain't been one for wishing, not at all
When you least expect, it's creeping up on you
No confiding nor abiding to no rules
And now I'm content knowing that I'm here with you
(Hit 'em with the bass and drum)

Right here, you got me where you want me
Now I'm right here, waiting for your calling
Now I'm right here, you got me where you want me
Now I'm right here, right here (h-h-h-h-h-here we go)
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh (oh my daze)

So don't chase the famous babe I wanna say this just one more time
Break out the playstation whilst playing it naked like cave man times
Never been afraid to say things man half of the things are already on your m
ind
Never was a blate and say this but you praise the way my hand hit your thigh
 (inside)
Ain't just following my dick cause you are what explodes my mind

Brain gives me a bass face as if Major Lazor plays for us live
If I'm lying I'm dying you shine bright like a diamond in the sky
Well you-oh-oh-oh make me feel so high
Role play like your face is painted and that your hunt decides the fate of y
our tribe
So bait that we ain't strangers when you answer questions asked in my mind
So glad that I ain't chasing papers cause I blatantly know we're soul mates
for life
Well you-oh-oh-oh make me feel so high
(Hit 'em with the bass and drum)

Right here, you got me where you want me
Now I'm right here, waiting for your calling
Now I'm right here, you got me where you want me
Now I'm right here, right here (h-h-h-h-h-here we go)
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh
Ah, ah, ah
Oh, oh, oh (oh my daze how did I leave your side)

Oh oh baby
I ain't running
I ain't running away
I ain't running
