

SOS

Shakka

By the round at the bar, don't matter the cost
Don't put it on for everybody
The life of every party
It's the life of empty hearts
Boy fix up, go be a man, go get the mulla
Shes the only one that keep it 100

Go to her house, she feed me something
If I do wrong, she tell me something
She makes her own money
She don't want nothing but love
Go to her house, she feed me something
If I do wrong, she tell me something
She makes her own money
She don't want nothing but love

SOS, sunshine over stress
Yes, feel the wave, feel the wave, feel the wave
Anywhere, anywhere, anywhere
SOS, sunshine over stress
Yes, feel the wave, feel the wave, feel the wave

And everyday
Somebody buying a new Mercedes
Somebody Buying a new A.P
No-one grinding, I ain't crazy
Chasing paper
She said I ain't seeing you lately
Never cared about the flexin
Girl I wanted you to be someone
I want you to be 100

Go to her house, she feed me something
If I do wrong, she tell me something
She makes her own money
She don't want nothing but love
Go to her house, she feed me something
If I do wrong, she tell me something
She makes her own money
She don't want nothing but love

SOS, sunshine over stress
Yes, feel the wave, feel the wave, feel the wave
Anywhere, anywhere, anywhere
SOS, sunshine over stress
Yes, feel the wave, feel the wave, feel the wave
Anywhere, anywhere, anywhere
(Talk like were naked, like were naked)

Me no like the small talk gyaldem
Come here like real talk gyaldem
Come baby say your my woman
But I like small talk gyaldem
Come here like real talk gyaldem
One time say me your my woman
My woman

SOS, sunshine over stress
Yes, feel the wave, feel the wave, feel the wave
Anywhere, anywhere, anywhere
SOS, sunshine over stress
Yes, feel the wave, feel the wave, feel the wave
Anywhere, anywhere, anywhere
