

Take Our Time

Shakka

Do you mind if we take our time
Cause I been here before, and it nearly took my life
Do you mind if we take our time
And take it easy
Yeah
Take it easy
Yeah, Yeah, Yeah
Yeah, Yeah, Yeah

Be careful with it
Your coco might be too hot to sip
You can sit anyway, yeah
Cause in this house, me casa su casa is here
Tell me what's troubling you
My pillows full of love for you
Is it still on your mind, yeah
Cause if so then let's keep it cool
It happened to me (boy meets girl, they get on fine)
Me oh (I want to ask, but she was lyin)
And then she left me (might as cardiac arrest me)
Left me standing there, let me in for, hiding my tears.

Do you mind if we take our time, yeah
Cause I been here before, and it nearly took my life
Do you mind if we take our time, yeah
And take it easy
Yeah
Take it easy
Yeah, Yeah, Yeah
Yeah, Yeah, Yeah

Hear me going on
I ain't even heard from you
It's cool if you don't want to go on talking about it
Or not, we can go on as cool

[Girl:] Who me?
[Shakka:] Yeah, go on
[Girl:] Alright well, you did this, and then you did this, and then you did this, and this
[Shakka:] Oh
[Girl:] Yeah
[Shakka:] I didn't know, he was a rollin stone
[Girl:] He's an idiot
[Shakka:] Does it still anger you
[Girl:] Sometimes, yeah

If so girl let's keep it cool
Cause it happened to me (boy meets girl, they get on fine)
Similar me, oh (I wasn't heard from, she was lyin)
And then she left me (might as well cardiac arrest me)
She left me standing there, may beyond compare

Do you mind if we take our time, yeah
Cause I been here before, and it nearly took my life
Do you mind if we take our time, yeah
And take it easy

Yeah
Take it easy
Yeah
Take it easy
Take it easy
Take it easy
Take it easy
Take it easy
Take it easy
