

# Temptation

Shakka

Throw my phone in the ocean  
(Ayy ayy, ayy ayy)  
Mum never raised no sideman  
(Ayy ayy, ayy ayy)  
Far away from paigans, yeah  
(Ayy ayy, ayy ayy)  
You want to ride till sun come

My only temptation  
Oh, temptation  
My only temptation  
Oh, temptation  
Baby girl, buss the red light  
You and I riding all night  
My only temptation  
Oh, temptation  
Yeah

Escape to the island  
(Ayy ayy, ayy ayy)  
Tell my boss I'm a free man  
(Ayy ayy, ayy ayy)  
One more time for the day 1's, yeah  
(Ayy ayy)  
Baby, let's ride till sun come

Mmm mmm yeah  
Peng ting sprung and she don't care

My only temptation  
Oh, temptation  
My only temptation  
Oh, temptation  
Baby girl, buss the red light  
You and I riding all night  
My only temptation  
Oh, temptation

Yeah, yeah  
Oh oh oh

One of dem ones  
I do what I what, not what I'm told  
Travel 'round the world before I'm old  
Let me take you high like helium  
This love ain't got a ceiling  
I'ma live my life like a sci-fi  
Superpower take us sky-high  
I be Logan, you be Jean Grey  
When I say I love you I mean it

Playtime's far from done  
(Ayy ayy, ayy ayy)  
Cash in my hand soon come  
(Ayy ayy, ayy ayy)  
Middle finger to a paigan, yeah  
(Ayy ayy, ayy ayy)

Baby, let's ride till the sun come

Mmm mmm yeah  
Peng ting sprung and she don't care

My only temptation  
Oh, temptation  
My only temptation  
Oh, temptation  
Baby girl, buss the red light  
You and I riding all night  
My only temptation  
Oh, temptation

Oh oh oh  
Oh oh  
What you say? What you say? What you say?  
Oh oh  
What you say? What you say? What you say?  
Oh oh  
What you say? What you say? What you say?  
Oh oh

Oh oh oh  
Yeah, yeah  
Oh oh oh  
Yeah, yeah
