

# Turn Off the Lights

I party way too much  
BACARDÍ drinks and shots  
She's in all of the mosh pits  
I bet that she can box  
And she rocks her pum pum shorts  
She bangs regular squats  
Haters stare from afar  
Gyal don't care 'bout all that  
Hands in the air, let me see  
Hands in the air, let me see  
Come, let's share body heat  
I'll help burn calories  
Red card for the haters  
Cause they don't wanna see you score  
Let's kick off with the lights off  
I really wanna see you score

Don't really care what they say  
Nah, nah, nah  
You remember yesterday?  
Nah, nah, nah  
What's with the lights on in my face?

Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights  
Turn off, turn off the-

Oh, I love being me  
Love, love, love being me  
The shoes don't fit on my feet  
I've never been the type to squeeze  
Oh nah, it's not that deep  
All of them just think you're a freak  
Cause they live their lives through screens  
But I don't wanna talk 'bout all that  
Hands in the air, let me see  
Hands in the air, let me see  
Dirty talk, Japanese  
Spanish, French body  
Pick up where we left off  
Show me that you're big in the game  
And I heard that you're a boxer  
So why don't we beat for days?

Don't really care what they say  
Nah, nah, nah  
You remember yesterday?  
Nah, nah, nah  
What's with the lights on in my face?

Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights

Turn off, turn off the lights, lights, lights  
Turn off, turn off the-

Alright, alright, alright, I've got one, I've got one  
What'd you call a big-headed chick?  
Blud, I don't know, I don't know, but it better be a good joke  
Kanye-lingus

I used to pray for a blackout  
Now I've got a car that's blacked out (winning, winning)  
CD marked in Morrisons  
That's the return of the mack now (winning, winning)  
Man still walk with the drumsticks  
So I know everyting gravy (everyting gravy)  
So I might just give you a spud  
If you're standing with the girl that I mash down (woo)  
How much time can I kill it?  
OJ God when I spit  
The whole world know that I did it  
Uh, tell me that I didn't  
32Ks, now, tell me that's a riddim  
They watch me, they clock me, they stop me, they ask me  
For pictures, next minute, they tell me I'm the trillest  
I don't wanna see nobody I phone  
Get your freak on, so I go, so I go  
So I... go

Don't really care what they say  
Nah, nah, nah  
You remember yesterday?  
Nah, nah, nah  
What's with the lights on in my face?

Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights  
Turn off, turn off the lights, lights, lights  
Turn off, turn off the-
