

# Yo Babes

Shakka

Oh ahh, you know what I mean  
Mean what you say and you say what you mean  
Oh ahh, you know what I mean  
I'm just a simple human being

I hate eyes with eyeliner  
I hate thighs covered in designer  
I hate heels away from the floor  
I hate nails when I know they ain't yours  
I hate hugs when you wear makeup  
You look way better when you wake up  
I hate lips when they start showing off  
I never cared 'bout the names you drop  
I love it when you wear my grey hoodie  
Or when your belly flop like Free Willy  
Love it when you're so silly  
Babe, you ain't gotta prove nuttin' to me

You had me at "yo babes"  
You had me at "yo babes"  
You got me with "what's your name?"  
You got me with "what's your name?"  
You had me at "yo babes"  
You had me at "yo babes"  
You got me with "what's your name?"  
You got me with "what's your name?"  
You had me at "yo"

I hate tiny little white lies  
That you say cause you think I might lie  
I hate photoshopping for the 'Gram  
Your arse ain't ever been bigger than my hand  
I hate when you say you ain't hungry  
Then your belly says that you're hungry  
I hate when you're showing off new mates  
You've only known them about two days  
I love it when you make me watch footy  
Knowing that we don't know 'bout footy  
Love it when you're so silly  
Babe, you ain't gotta prove nuttin' to me

You had me at "yo babes"  
You had me at "yo babes"  
You got me with "what's your name?"  
You got me with "what's your name?"  
You had me at "yo babes"  
You had me at "yo babes"  
You got me with "what's your name?"  
You got me with "what's your name?"  
You had me at "yo, babes"

Oh ahh, you know what I mean  
Mean what you say and you say what you mean  
Oh ahh, you know what I mean  
Know what I mean

What could an upgrade do?

There ain't no better you than you  
Oh, darling, slow down the tempo  
Can we do beer pong and Nintendo?  
Oh, what could an upgrade do?  
Ain't no better you than you  
Oh, darling, get with the programme  
You're first class without the cosign

You had me at "yo babes"  
You had me at "yo babes"  
You got me with "what's your name?"  
You got me with "what's your name?"  
You had me at "yo babes"  
You had me at "yo babes"  
You got me with "what's your name?"  
You got me with "what's your name?"

Oh, what could an upgrade do?  
There ain't no better you than you  
Oh, darling, slow down the tempo  
Can we do beer pong and Nintendo?  
Oh, what could an upgrade do?

Oh ahh, you know what I mean  
Mean what you say and you say what you mean  
Oh ahh, you know what I mean  
Oh ahh, you know what I mean  
Oh ahh, you know what I mean  
Mean what you say and you say what you mean  
Oh ahh, you know what I mean  
Oh ahh, you know what I mean
