

Hello

Shakra

I don't know the reason why you're walkin' back
Another change of season or just another guy
And with that and again I state to ya, I've taken every lie
Don't need another reason, I'm here to say goodbye

Hello, hello, hello, are you with me now?
I know, I know, I know I'm about to come undone
Hello, hello, hello, can you feel me now?
I know, I know, I know I'm not the only one
The only one

Lat night I was waitin' but you didn't show up
Every time I call you, you treat me like a cop
You tell me you were busy and do you have no time?
Still you're holdin' out on me with words that have no right

Hello, hello, hello, are you with me now?
I know, I know, I know I'm about to come undone
Hello, hello, hello, can you feel me now?
I know, I know, I know I'm not the only one
The only one
Oh yeah, the only one
Ooh yeah, oh

Hello, hello, hello, are you with me now?
I know, I know I might come undone
I am not the only one
Hello, hello, hello, are you with me now?
I know, I know I'm about to come undone
I am not the only one, yeah

Hello, hello, hello, are you with me now?
I know, I know, I know I'm about to come undone
Hello, hello, hello, can you feel me now?
I know, I know, I know I'm not the only one, yeah

Hello, hello, hello, are you with me now? (Are you with me now?
)
I know, I know, I know I'm about to come undone
(I'm 'bout to come undone)
Hello hello hello, can you feel me now? (Feel me now?)
I know, I know, I know I'm not the only one
The only one
The only one
