

# Stand Tall

Shakra

You are my fantasy  
You are the one for me  
Show me the truth in your eyes  
You are my wildest dream  
You are my loudest scream  
Why do you tell me those lies

Call me now, baby call me now

Ride the storm  
Don't be torn  
Don't give up  
Never stop  
Ride the storm  
Don't be torn  
Raise and fall  
You'll stand tall  
Ride the storm

You know I will be there  
You'll take me anywhere  
Give me the stuff that I need  
I don't need pretty cars  
Not even big cigars  
Together we will succeed

Call me now, baby call me now

Ride the storm  
Don't be torn  
Don't give up  
Never stop  
Ride the storm  
Don't be torn  
Raise and fall  
You'll stand tall  
Ride the storm

Ride the storm  
Don't be torn  
Don't give up  
Never stop  
Ride the storm  
Don't be torn  
Raise and fall  
You'll stand tall  
Ride the storm  
Don't be torn  
Don't give up  
Never stop  
Ride the storm  
Don't be torn  
Raise and fall  
You'll stand tall  
Ride the storm
