

## Deceiver

Shalamar

I spotted you from across the room  
You looked at me and then I looked at you  
Our eyes met, it was so intense, baby  
I had to see what could become of this

So I made my move across the floor  
Grabbed your arm and headed for the door  
I can't tell what happened then, baby  
Before I knew it, I was in your spell

I cried, oh  
You took me by surprise, baby  
I cried, oh  
Such an innocent disguise, baby

You're a deceiver  
I never realized, I could fall in love  
Just from one look in your eyes  
I believed ya, you're a deceiver  
Girl, I love ya, can't you tell?  
Oh yeah, m-hmm

I found out later when I finally came to  
What happened to me and what happened to you  
You took advantage of my love and my trust  
You overpowered me with all of your lust

You said you'd promise, you'd never tell  
What happened to me, under your spell  
I don't know just what to do, baby  
'Cause everybody knows about me and you

I cried, oh  
You took me by surprise, baby  
When I look in your eyes, I said oh-oh  
Such an innocent disguise, baby

You're a deceiver  
I never realized, I could fall in love  
Just from one look in your eyes  
I believed ya, you're a deceiver  
Girl, I love ya, can't you tell?  
Oh yeah, oh yeah

When I look in your eyes  
It's like I'm in a spell  
It's like cosmic, you know what I mean?  
It's so good for me, so sexy, mama say

I cried, oh  
You took me by surprise, baby  
Believe me, babe, said oh-oh  
Such an innocent disguise, baby

You're a deceiver  
I never realized, I could fall in love  
Just from one look in your eyes

I believe, you're a deceiver  
Girl, I love ya, can't you, can't you tell, girl?

(Deceiver) Oh!

(I believed ya) Oh, I love ya, oh, I love ya

(Believed ya, you're a deceiver) You're a deceiver, oh, baby

(Deceiver, I believed ya) Honestly, honestly, girl

(Believed ya, you're a deceiver) Really, really love ya, baby

(Deceiver, I believed ya) Sweet baby, sweet baby

(Believed ya, you're a deceiver) Oh!

(Deceiver, I believed ya) Girl, believed ya, baby

(Believed ya, you're a deceiver) Really, really love ya, baby, oh!

(Deceiver, I believed ya)

(Believed ya, you're a deceiver)
