

Way

They call me Shallipopi

99 plus 1, way

99 plus 1, say

99 plus 1, that is gonna give you (hundred)

All my gee's never snitch, they gon keep it (hundred)

We no be enemies, that no means say we be friends

Any business we go share per cent (hundred)

99 plus 1, that is gonna give you (hundred)

All my gee's never snitch, they gon keep it (hundred)

We no be enemies, that no means say we be friends

Any business we go share per cent (hundred)

Wait, level up

You're not up to my level so you got to level up (You got to level up, ay)

Wait, level up

Ladies call me devil, now demons dey roll my blood (Wo)

Keep your mouth shut (Or)

You gon get shot

Pull up on your block

Take my mask off, dark skin boy

Boy looking hot

Innocent face but I take action

(I take action, wey)

99 plus 1, that is gonna give you, (hundred)

All my gee's never snitch, they gon keep it (hundred)

We no be enemies, that no means say we be friends

Any business we go share per cent (hundred)

99 plus 1, that is gonna give you (hundred)

All my gee's never snitch, they gon keep it (hundred)

We no be enemies, that no means say we be friends

Any business we go share per cent (hundred)

Wait, level up

You're not up to my level so you got to level up (You got to level up, ay)

Wait, level up

Ladies call me devil, now demons dey roll my blood (Wey)

Who go make money, go make am

In my backy as it is, I'm counting my paper

I'm busy, baby

Don't call me now, call me later (Sexy)

Buy your father's land, thirty acres

I'm richer than all my haters (Wey)

99 plus 1, that is gonna give you (hundred)

All my gee's never snitch, they gon keep it (hundred)

We no be enemies, that no means say we be friends

Any business we go share per cent (hundred)

99 plus 1, that is gonna give you (hundred)

All my gee's never snitch, they gon keep it (hundred)

We no be enemies, that no means say we be friends

Any business we go share per cent (hundred)

Wait, level up
