Shallipopi

Say say say...

World wide plutomainians
That na normal things
Presido with the big machine
Your girlfriend friend wanna suck my things
But no be that kind person I be
If I puff smoke give you and you no pass
If you no pass, that means e don cast
No last chance, e don cast o
E don cast o, e don cast o

Weeii, e don cast
E don cast, e don cast
Say, e don cast

Ehn, e don cast ooo
E don cast
E don cast, e don cast
Say, e don cast

Put your girl on phone
Twelve o'clock for night
12:30 use bolt no flight
She locate my location
Pluto are you feeling the vibration

Sensational, abobi condition am, ehn
Willy willy practitioner
This one na seniorita abi na mamacita (all)
Big kala need your bunda, wa gba?
If she no fuck o, if she no suck
Who go pay for her wig and handbag
When e wan sup, she go halla Big Gun
All along she dey follow me pause
Loss, punish me like African mom
Shallipopi, who go mount us?
Comot body, we dey burn kpef
For the context, cash, cast
Obrigado, on a conquest
