They call me Shallipopi

Day break, everywhere burst
Everywhere stew, money dey rush
Vacation for me and all my blood
As I dey, credit alert dey drop
You can't love me, it's not by force
If not money talk, I'm not involved
Na how they go pay me, I dey find
I nor dey find free service

Free service or high service
Benin boy, I can show you magic
Ladies dem, they call me daddy
I'm like it when shaking that thing
Free service or high service
Benin boy, I can show you magic
Ladies them call me daddy
I'm like it when shaking that thing

That thing, fat thing wey dey scatter my brain
Permit me, make I touch e dey scatter my brain
Let me put my thing inside your thing
You don confirm say Evian dey
But the only way wey nor fit show map
Shey you know say na Pluto ways

Na payday, everyday day na payday
No go think say na play play
