Back then wey dey gyrate me (gyrate me)
They underrate me (underrate me)
And now dem dey imitate me (imitate me)
All my music they anticipating
Back then wey dey gyrate me
Now when I enter they be vibrating
Omo na cash I be counting

They never try to keep waiting

For this country wey we dey so
Nor trust on anybody anybody fit gbas o
People dey craze o na money we dey chase o
Make I wire wire your aza just in case o
Sit down make we gist all this constant
Hustling turning me to a beast

People dey ask me awok ni o cashy
Cause enemies they chasing me
They nor fit to catch me
Turn up turn up only big men turn up
If you hear story o lock up

Alujo nor dey do gra gra
Eh nor dey do gra gra
Biggie man nor dey do gra gra
Eh nor dey do gra gra
Alujo nor dey do gra gra
Biggie man nor dey do gra gra

They be trying to bring me down
But they nor fit to stop me
They be trying to bring me down
But they nor fit to stop me
Where's the love?
