

# Carry Me Through

Shallou

Will you carry me through?  
Carry me through  
Through the storm, it keep me warm tonight  
Will you carry me through  
Carry me through  
In your arms, till the morning light

Will you be there?  
When I need you  
And I need you here

When I need you here

Cross this great divide  
Cross this great divide

Will you carry me through?  
Carry me through  
Through the storm, it keep me warm tonight  
Will you carry me through  
Carry me through  
In your arms, till the morning light

Will you be there?  
When I need you  
And I need you here

Will you be there?  
I will be there, I'll be there  
Will you be there?  
I will be there, I'll be there  
And I need you  
I will be there, I'll be there  
And I need you here  
I will be there, I'll be there

Will you be there?  
I will be there, I'll be there  
Will you be there?  
I will be there, I'll be there  
And I need you  
I will be there, I'll be there  
And I need you here  
I will be there, I'll be there

I will be there, I'll be there  
I will be there, I'll be there  
I will be there, I'll be there  
I will be there, I'll be there
