Aware
This feeling I got for you
I got for you

Aware
This feeling I got for you
I got for you

Aware
This feeling I got for you
I got for you

Aware
This feeling I got for you
I got for you

Aware
This feeling I got for you
I got for you

Aware
This feeling I got for you
I got for you

'Cause I knew I wouldn't be fine
Without you
Oh

'Cause I knew I wouldn't be fine
Without you

'Cause I knew I wouldn't be fine
'Cause I knew I wouldn't be fine

Aware
This feeling I got for you
I got for you

Aware
This feeling I got for you
I got for you

'Cause I knew I wouldn't be fine
Without you
Oh

'Cause I knew I wouldn't be fine
Without you
