

Forget

Shallou

Ooh, I want time
Ooh, I want to feel it still
Ooh, I want time
Ooh, I want to feel it still

I just want
Just want a little time to stay
I just want
Just want a little time to stay
I just want
Just want a little time to stay
I just want
Just want a little time to stay
I...

Remember when we would say that we'd never change
And we felt the same way
But now its been a million days and I'm trying to think
Can I see the same things?
'Cause I'm all by myself
In the dark reaching out, trying to feel
The way the cold winters felt
In the wind, I just want to feel it still

Ooh, I want time
Ooh, I want to feel it still
Ooh, I want time
Ooh, I want to feel it still

I just want
Just want a little time to stay
I just want
Just want a little time to stay
I just want
Just want a little time to stay
I just want
Just want a little time to stay
I just want
Just want a little time to stay
I just want
Just want a little time to stay
I...
