

# Habitat

Shallou

I'll lead you up  
To the highest heavens  
We'll breathe the air from long ago  
It tears you up  
Cause it's all behind us now  
The chance we had is slipping away

I'll lead you up  
To the highest heavens  
We'll breathe the air from long ago  
It tears you up  
Cause it's all behind us now  
The chance we had is slipping away
