

# Heartaches

Shallou

Your love takes me higher  
Than I've ever been before  
And your heart's on fire  
It lights me up

But your heart aches in love  
And I know it, and I know it  
Your heart aches in love  
And I know it, and I know it

Your heart aches in love  
And I know it, and I know it  
Your heart aches in love  
And I know it, and I know it

Your heart aches in love  
And I know it, and I know it  
Your heart aches in love  
And I know it, and I know it

Our love's on the wire  
And it feels like we could fall  
Yeah, we're both just treading water  
And it cools you down

But your heart aches in love  
And I know it, and I know it  
Your heart aches in love  
And I know it, and I know it

Your heart aches in love  
And I know it, and I know it  
Your heart aches in love  
And I know it, and I know it

Your heart aches in love  
And I know it, and I know it  
Your heart aches in love  
And I know it, and I know it

Your heart aches in love  
And I know it, and I know it  
Your heart aches in love  
And I know it, and I know it

I know it  
I know it  
Your heart aches  
I know it
