Mysoul

Shallou

I don't wanna
Feel it
I don't wanna
Tonight
I would only
Give you my soul
To be with you

I don't wanna
Feel it
I don't wanna
Tonight
I could only
You take the weight off my shoulders
For a moment

I don't wanna
Feel it
I don't wanna
Tonight
I would only
Give you my soul

I don't wanna
Feel it
I don't wanna
Tonight
I would only
Give you my soul
To be with you

I don't wanna
Feel it
I don't wanna
Tonight
I could only
You take the weight off my shoulders
For a moment

It's all I've ever wanted
You're all I ever needed
It's all I've ever wanted
You're all I ever needed

I don't wanna
Feel it
I don't wanna
Tonight
I would only
Give you my soul
To be with you

It's all I've ever wanted
You're all I ever needed
It's all I've ever wanted
You're all I ever needed

It's all I've ever wanted
You're all I ever needed

It's all I've ever wanted
You're all I ever needed
