

Waiting for your love
A million miles away
I can't feel you now
There's something in the way

Waiting for your love
A million miles away
I can't feel you now
There's something in the way

Waiting for your love
A million miles away
I can't feel you now
There's something in the way

Waiting for your love
A million miles away
I can't feel you now
There's something in the way

Waiting for your love
A million miles away
I can't feel you now
There's something in the way

Waiting for your love
A million miles away
I can't feel you now
There's something in the way
