

Tonight

Shallou

I gave you my heart and that's all I have to give now
And when we're apart you're all that I want to care about
Say that you want to be with me tonight

And we'll go, go, go
Say that you want to be with me tonight
And we'll go, go, go

You're holding me close and we don't need space between us
And when you're with me I know it's all right to feel love
Say that you want to be with me tonight

And we'll go, go, go
Say that you want to be with me tonight
And we'll go, go, go

Don't you
Don't you
Don't you
Want to

Don't you
Don't you
Don't you
Want to

Say that you want to be with me tonight
And we'll go, go, go
Say that you want to be with me tonight
And we'll go, go, go

Don't you
Don't you
Don't you
Want to

Don't you
Don't you
Don't you
Want to...

Say that you want to be with me tonight
