

# All Rise

## Shallow Side

Just Take a look around and see you're not alone  
There's not an innocent one here amongst us to tell us we're wrong  
There's an energy here I see it on your face  
By the look in your eyes  
I can tell you feel you've been misplaced  
But when the lights go down

Tell me are you reckless  
Tell me are you reckless  
But you really don't give a damn  
All rise  
If you're caged and convicted  
Drugs can't keep you lifted  
Well then welcome to the service tonight  
All rise

I've seen the pit of the lies from the pews of a church  
Found an honest man locked up  
Begging for a way out of this earth  
I've tasted honey on the tip of my tongue  
Took a bite of the madness  
Cause I want some  
I swear I'd do it all again  
But when the lights go down

Tell me are you reckless  
Tell me are you reckless  
But you really don't give a damn  
All rise  
If you're caged and convicted  
Drugs can't keep you lifted  
Well then welcome to the service tonight  
All rise

Tell me are you reckless  
Reckless  
Tell me are you reckless  
Reckless  
Tell me are you  
Tell me are you  
Tell me are you

I've tasted honey on the top of my tongue  
I swear I'd do it all again  
But when the lights go down

Tell me are you reckless  
Tell me are you reckless  
But really don't give a damn  
All rise  
If you're caged and convicted  
Drugs can't keep you lifted  
Well then welcome to the service tonight  
All rise

Tell me are you reckless
