

I Don't Wanna

Sham 69

I don't wanna work in no factory
And I don't want no strike
And I don't want no dole queue
No I don't wanna
No I don't wanna
No I don't wanna be
I don't wanna work to sixty five
And I don't want no gold watch
And I don't want no pension book
No I don't wanna
No I don't wanna
No I don't wanna be
I don't wanna live up in the sky
And I don't wanna be buried high
And I don't want no skyscraper
No I don't wanna
No I don't wanna
No I don't wanna be
