

## Call It Off

Shamir

Shamir Bailey  
North Las Vegas  
It's not time to get started  
It's time to call it off

I've been trying to find a reason to keep us together  
Try to make up my bed of lies and call the night my shelter

It's time to call it off  
And this time, it's not my fault

It's time to walk out the door  
It's time to get gone  
It's time to walk out the door  
It's time to

You tried to blindfold me from the pain you breathe  
And you said you'd never leave  
You had me blame myself, question my mental health  
Like I'm the one who needed questioning

It's time to call it off  
And this time, it's not my fault

It's time to walk out the door  
It's time to get gone  
It's time to walk out the door  
It's time to

Just can't make a thot a wife  
No more basic, ratchet guys  
Listen up, I'm saving you  
From all the hell that you'll go through

It's time to call it off  
And this time, it's not my fault

It's time to walk out the door  
It's time to get gone  
It's time to walk out the door  
It's time to
