

Forever

Shamir

Luckily you can find me in the back of your brain
Luckily you can have me once you get to your grave

And you say
And you say
And you say I'm gone forever
And you say
And you say
And you say I'm gone forever

Luckily you can find me in the back of your brain
Luckily you can have me once you get to your grave

And you say
And you say
And you say I'm gone forever
And you say
And you say
And you say I'm gone forever

And I'm here for good
And I'm here for good...
