

Pollen

Shamir

You've got pollen on your nose
Where you've been - where you been?
Pretty pretty bunch, I'll take a dozen of those
You've got pollen on your nose

I want love in the afternoon
I want love in the afternoon
I want love in the afternoon
I want love in the afternoon

You've got pollen on your nose
Where you've been - where you been?
You make the dirt go flying with the shovel and hoes
You've got pollen on your nose

I'll wait and see if you'll give it to me
I'll wait and see if you'll give it to me
I'll wait and see if you'll give it to me
I'll wait and see if you'll give it to me

You've got pollen on your nose
I've been leaking like a garden hose
