

## Aphelion

Shamrain

Distant you are  
A soul unattainable  
and most delicate of all  
Evermore hiding  
Behind an unseen veil  
That closes off our heaven

I want to feel, what you feel inside  
Your world i want, to unite with mine  
I want to see, The secrets you hide  
Your world i want, to unite with mine

Unspoken you are  
Remote and soundless  
Frail behind your wall  
Evermore floating  
Deeper into the night  
That closes off our heaven
