Shane Dawson

I'm sick of those pretty boys checking their mirrors
Waxing their ball hairs
Ah uh Ah oh
I'm sick of those rocker boys they're always cheating with girls who are younger
Ah uh Ah oh
Yeah, a guy who won't talk shit about me on Twitter cause he doesn't know what the fuck that is!
Oh yeah, I'm looking for a guy who has some experience tonight.

Ah oh
I'm sick of young dudes, I want a guy who is 82
He can put up with me cause he served in World War II
He thinks I can sing cause he's got real bad hearing
He's a little racist so I gotta hide my black friends from him
He's 82
82, ooooo!

Chill out with his old friends. Shitting in our Depends.
Taking medications
Ah oh
Ah oh
Yeah - after this we are gonna have a big lemon party tonight

Ah oh
I'm sick of young dudes, I want a guy who is 82
He has so many age spots like they were tattoos
His belly can't hate me cause they are R.I.P when we have sex he screams bitch
Whose your grand daddy! Cause:

He's 82

82, ooooo!

[Aunt Hilda - Shane Dawson]
There's the bitch that stole our husbands! Lets kill her!

YEAH!

[Taylor Swift - Wendy McColm]
We're getting beat up by women who are 82.
Holly shit there's blood everywhere.
That Asian one knows Kung-Fu!
It feels like one of those nights.
We got our ass kicked.
It feels like one of those nights.
I lost my vision.
It feels like one of those nights.
Internal bleeding, my leg lost feeling, I'm sick of fighting.

[Aunt Hilda - Shane Dawson]
Oh why? Are you too scared to die, bitch?
