

## Help Me (e.t. Spoof)

Shane Dawson

Help me,  
he-he-help me  
I have a lot of boxes they are really heavy,  
I am way too F\*cking hot to do any housework  
So I get into my car and drive to Home Depot,  
you're standing outside,  
so I yell Andalay and you hop into my ri-ide  
Help me,  
He-he-help me  
My backyard needs mowing my front yard needs shaving  
Are you hu-hu-hungry?  
well you shouda brought your own food,  
none of this is for you  
I hired an Alien!  
Cuz I'm a lazy American  
He wanted fifty bucks  
but I payed him in Captain Crunch  
(Haha!)  
I think you've had enough  
"No seriously, you've had enough. You're starting to get fun."
