Aha Lifes' like this  
Aha Aha  
That's the way it is!

La la la la  
Aha  
La la la la  
That's the way it is!

Chill lut, what you yellin boot  
Lay back, look at my butt crack  
And I like to wear a tie and I'm really cool with my raccoon eyes.  
I look like a lesbian  
Spikey belt and pants that's made for men  
And if you take them down, you will see a bonsai tree

I don't wear a bra  
I'm from Canada  
I hate Britney Spears  
I'm drunk off of beers  
I have greasy hair  
And I don't care about hygiene  
Tell me

Why have to go and make things so complicated  
I acted like a 12 year old bitch who just started menstruating  
And now I'm changing

I wear weaves  
Short sleeves  
Tight skirts  
Belly shirts  
And now I look just like Kesha  
Auto-tunes  
Shitty beats  
What happened to the old me?  
Oh, no, no, no
