

I Am Everything

Shane Dawson

Y'all...

I know god said no false idols but,
I talked to god and we're chill so,
You can pray to Thomas,
I'll get you through it all, oh...

It started as a little boy,
I used to dream of what life could be,
I checked all the boxes now,
That I'm on frigging TV,

I am, I am, everything, I am everything, yeah
I am, I am, everything, I am everything, yeah
(yo listen)

When I was a little boy,
My teacher ask what we wanna be,
Most kids said astronaut,
The answer should have been, me...
Now I make more money in a month,
Than my teacher made in a year,
And all those kids from my class
will kill themselves when they see me here,

I am, I am, everything, I am everything, yeah
I am, I am, everything, I am everything, yeah

Life goals, dream goals, house goals, car goals,
Boy goals, girl goals, equal goals, what ever goals,
Sleep goals, teeth goals, tan goals, cash goals,
Squad goals, all the goals,
If you google search goals you'll just see pictures of me...

I am, I am, everything, I am everything, yeah
I am, I am, everything, I am everything, yeah
